QUICK START GUIDE

Getting Started with Viiiiva

Your Viiiiva is pre-loaded with a CR2032 battery.

For the complete experience, download the 4iiii app for iOS or Android.
*Be sure to upgrade your firmware if prompted. We're always making improvements and adding new features.

For additional resources and videos, go to:
4iiii.com/support

1 Moisten the electrodes on the strap

Viiiiva will turn on automatically when worn and turn off 2 minutes after it's removed.

2 Adjust the Strap

Adjust the strap to fit snugly against your body, under your breastbone. Clip in the Viiiiva with the logo centered on your body.

3 Pair your Viiiiva

Pair your Viiiiva by following the instructions on your head unit, watch, or the 4iiii app.
