

FACT SHEET**BLACK & DECKER® 10-SPEED DIE-CAST BLENDER**

Model Number: BL2020R

This heavy-duty die-cast blender from Black & Decker® boasts 550-watts of Cyclonic Power™. Through operation remains a breeze thanks to ten varying speed settings—plus pulse—and the multi-level stainless steel blades. Combine that with the 5-cup, 42-oz. glass blending jar with Perfect Pour™ spout to deliver the goods (like smoothies, shakes and salsas!). And dishwasher-safe removable parts include a multitasking lid, which actually doubles as a 1-oz. measuring cup for added convenience, making this 2011 die-cast powerhouse (and you) a true mix master.
