

Hardware

- Snapdragon 2.26 GHz Quad-Core Processor
- AT&T 4G LTE Network*
- 5.2" Full HD IPS Display: 1920 x 1080 resolution, 16:9 aspect ratio, and 423 ppi
- Zerogap Touch – precise touch response by reducing the space under the surface of the display
- Rear Key Placement – ambidextrous, multi-purpose use of Power/Lock and Volume Keys
- Sapphire Crystal Glass – scratch-resistant material helps protect camera lens from blemishes

* AT&T's 4G LTE Network not available everywhere.

UX: Productivity

- Slide Aside – three-finger swipe to the left saves up to three running apps; access tabs with a swipe to the right
- QSlide – overlay up to two QSlide app windows with adjustable sizing and transparency on primary screen
- Clip Tray – copy and paste multiple items to a slide-up clipboard, then select later to use or share
- Capture Plus – take a screen grab of an entire webpage and save to view later
- On-Call Notes from QuickMemo – jot down notes during a call, and retrieve them instantly in a call log entry
- QuickMemo – create and share personalized memos by adding handwritten drawings or messages on-screen
- KnockON – knock twice with a fingertip to turn the display on or off
- Text Link – save events to a calendar, search the web, or do a map search directly from information sent through text messages
- Voice Mate – voice commands to send text messages/ emails to contacts, add appointments/reminders to the calendar, or complete online searches
- QuickTranslator – translate sentences and phrases from 44 different languages in real time
- VuTalk – draw and make notes, transfer images, and screen share in real time between compatible devices*
- Direct/Android Beam – share via NFC (Near Field Communication)
- Wireless Storage – share files between your phone and computer via Wi-Fi®
- Mobile Hotspot† – share a 4G data connection with other compatible wireless devices
- Notebook – create a shareable notebook with ability to cut and paste pictures, add videos, record voice, and more
- Life Square – create a photo journal with select photos, text messages, calls, videos, calendar events, Facebook® posts, and Twitter® tweets

* No voice call required. VuTalk offers simultaneous data and voice sharing when both devices are in 4G LTE coverage or connected to a Wi-Fi network.

UX: Simplicity

- QuickRemote – control compatible TVs, Blu-ray™ players, cable provider set-top boxes, and more via infrared
- Guest Mode – create a separate unlock screen pattern for guests with pre-set access and restrictions
- Plug & Pop – plug in an earphone or USB Cable and related features or apps will appear on the home screen
- Answer Me – accept incoming calls by raising the phone to the ear
- Smart Ringtone – ringtone volume automatically increases in noisy environments
- Smart Screen – display setting keeps the screen active when device detects eye movement
- Smart Video – video pauses automatically when phone detects eyes are not looking at the screen
- Privacy Keeper – hide caller information for incoming calls; swipe screen to reveal information
- Quiet Mode – specify times to turn off all sounds except alarm and media
- Front Notification LED – colored and patterned light for alerts like alarms, calendar reminders, new messages, missed calls, etc.

Camera & Entertainment

- 13 MP Optical Image Stabilization (OIS) Full HD Rear-Facing Autofocus Camera and Camcorder with LED Flash
- Optical Image Stabilization – clearer results by keeping imagery stable while a photo or video is taken, even in low-light conditions
- 2.0 MP Full HD Front-Facing Camera
- Camera Resolutions: up to 4160 x 3120¹ (default) pixels
- Multipoint Autofocus – camera detects and captures a particular subject faster and more precisely with nine autofocus points
- Shot & Clear – eliminate select moving objects in the background of a picture
- Tracking Zoom¹ – zoom in on a subject while recording to track and magnify it through the scene
- Cheese Shutter – use voice commands to capture a photo
- Shot Mode – choose from Normal, Shot & Clear,¹ Dynamic Tone (HDR),¹ Panorama,¹ VR Panorama,¹ Burst Shot,¹ Beauty Shot, Dual Camera, Time Catch Shot,¹ Intelligent Auto,¹ Sports,¹ and Night
- Intelligent Auto¹ – automatically identifies a scene's characteristics and adjusts camera options such as aperture and shutter speed
- Video Resolutions: up to 1920 x 1080 (60 fps; 30 fps default)
- Dual Recording/Dual Camera – front and rear cameras take pictures or videos with picture-in-picture technology
- Pause & Resume Recording – pause and start in record mode for one continuous video file
- Audio Zoom – focus on a specific audio source by zooming in on the intended subject while recording video²
- Live Shot – take still shots while recording video
- Video Screenshot – capture still shots from a video during playback
- Live Zooming – zoom in/out on videos during playback
- Video Editor – make and edit your own movies
- Video Player with Touch Lock, Audio Effects, and Resume Play Function; supports DivX®, WMV, MP4, 3GP, and 3G2 Formats
- Music Player with Audio Effects: supports MP3, AAC, AAC+, M4A, WAV, FLAC, OGG, and WMA formats
- High Quality Sound – supporting 24-bit, 192 kHz Hi-Fi playback for FLAC and WAV files
- AT&T DriveMode – silence notifications, set an auto-reply so people will know you're driving, and more
- AT&T Navigator® – spoken turn-by-turn directions showing real time traffic and 360° destination views

¹ Available only on rear-facing camera or camcorder.

² Available only in landscape orientation.

Specifications

- Platform: Android 4.2.2 (Jelly Bean)
- Technology: GSM, UMTS, LTE
- Processor: Snapdragon 800 2.26 GHz Quad-Core
- Network: GSM Quad Band/UMTS Tri Band/LTE Quad Band
- Frequencies: GSM 850/900/1800/1900 MHz, UMTS 850/1900/2100, LTE 850/1900/700/AWS
- Data Transmission: EDGE, GPRS Class 10, UMTS (W-CDMA), HSPA+
- Wi-Fi Connectivity: 802.11a/b/g/n/ac
- Bluetooth Wireless Technology Version 4.0
- Dimensions: 5.45" (H) x 2.79" (W) x 0.35" (D)
- Weight: 5.04 oz.
- Display: 5.2" (1920 x 1080) Full HD IPS Display
- Battery Capacity: 3,000 mAh
- Talk Time: up to 17.9 Hours*
- Standby Time: up to 29 Days*
- Internal Memory: 32 GB (Up to 22 GB for User memory)

* Certain features may use more power and cause actual time to vary.

Accessories

- Travel Adapter and USB Cable*
- QuickWindow™ Convenient Folio Case
- Bluetooth Headset (HBM-280)
- LG TONE+™ (Bluetooth Stereo Headset HBS-730)
- Vehicle Power Adapter

* Included with phone.

Key Features

Powerful Snapdragon™ 2.26 GHz Quad-Core Processor

Long-Lasting Battery – 3,000 mAh SiO+

Vivid 5.2" 1080p Full HD IPS Display

13 MP High Resolution Optical Image Stabilization (OIS) Camera

Intuitive Rear Key Placement for Ambidextrous Use

Slide Aside Moves Freely Between Three Apps

QSlide Layers Windows for Advanced Multitasking

Clip Tray Saves Multiple Selected Items to a Pop-Up Clipboard

On-Call Notes Stores a QuickMemo™ in a Call Log Entry
