

Get started _

All you need to know to get going.

ZTE PEEL™

Sprint 

Welcome! _

Sprint is committed to developing technologies that give you the ability to get what you want when you want it, faster than ever before. This booklet introduces you to the basics of getting started with Sprint and your new ZTE PEEL. Because there's less waiting, and more doing, on the Now Network.™

What's in the Box _

ZTE PEEL

Charger

**Get Started Guide (this guide),
Important Information Booklet,
Terms and Conditions of Service**

Headset adapter

Get Your Device Ready _

► Charge the Battery

1. Plug the charger into the device's microUSB connector on the left side of the device near the bottom.
2. Plug the charger into an electrical outlet.

► Turn on Your Device

- Press and hold the the Power On/Off button for three to four seconds. The LEDs will flash, and when only the center LED is flashing, you are connected to the Sprint network.

Note: While your device is powering on, the LEDs will flash several times, indicating your battery's charge level.

Low battery

Fully-charged battery

Battery needs recharging

Install Your Device _

▶ Mount Your Apple iPod touch® to the Device

1. Holding the PEEL with the Sprint logo at the bottom, slide your iPod touch into the PEEL until it seats at the bottom.
2. Gently press down on both sides of your iPod touch at the top until it clicks into place.

▶ Connect Stereo Headphones to Your iPod touch

- Insert the headset adapter into the opening in the bottom right of the PEEL and press until the plug securely connects to your iPod touch's headphones port. Then connect your headphones to free end of the headset adapter.

Activate and Use Your Device _

▶ **Activate Your Device**

- If you purchased your PEEL at a Sprint Store or an authorized Sprint retailer, it should be activated and ready to use.
- If you received your PEEL in the mail, it should activate automatically when you first turn it on.

▶ **Make a Wi-Fi Connection**

1. Turn on your iPod touch and unlock the screen.
2. Press the **Home Button** > **Settings** > **Wi-Fi**, and make sure the slider is set to **ON**.
3. Select “SprintPeelXXX” from the list of available networks. (Note: “XXX” will be the last three characters of your device’s MAC ID, a unique identifier printed on the sticker on the inside of your device.)
4. Press the **Home Button** > **Safari**, and enter a URL or select a bookmarked website to confirm that your iPod touch is connected to the Internet.

Activate and Use Your Device _

► Change Your Network Name (SSID) and Password

1. In your Safari browser, type <http://192.168.2.1> into the address field, and touch **Go**.
2. If you have used the browser interface before, skip to step 4.
3. Touch **Admin**, enter “admin” for both the **Username** and **Password**, and touch **Log In**.
4. Touch **Admin > WiFi Settings**.
5. Enter a new name for your device (for example, “My PEEL”) in the **SSID** text box and a new password in the **Password** text box.
6. Leave all other settings as is and touch **Apply**.

► Manage Other Device Settings

1. Follow steps 1 – 3 in “Change Your Network Name (SSID) and Password.”
2. Touch **Admin** and select a setting to change.

For more information about Admin settings, see the online *User Guide* at sprint.com/support.
